

PLANEX MUSE

LED PANEL

Type: _____

Project: _____

The Planex Muse® produces a natural ambiance by having calming, translucent images screened onto each panel.

Suitable for use in insulated ceilings

Low profile frame is just 0.5" thick

Layers of light-shaping diffusers for uniform light distribution

White powder coated extruded aluminum frame

Built in 2-in-1 dimming function is standard

The **PLANEX® MUSE** is ideal for applications such as hospitals, dental/doctor offices, receptions areas and spas
