

Fortezza™ Family

VANDAL RESISTANT

The Fortezza™ Family features:

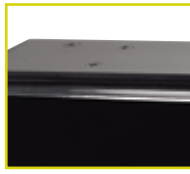

- IP66/Wet location rating
- Tamper resistant hardware
- Polycarbonate lens
- Durable die-cast construction
- Universal mounting

Max 50W MR16 lamps

Tamper resistant hardware

Heavy duty die-cast

Polycarbonate shield

DAMP & WET LOCATION / IP66

Beghelli

PRODUCT OVERVIEW:

The **FORTEZZA™ FAMILY** includes a Sign, Combo Battery Unit and Remote. Take a hockey stick to them, hose them down, abuse them any way you can think of and the **FORTEZZA™ FAMILY** will stand up to it.

The **FORTEZZA™ FAMILY** is IP66 providing ingress protection against strong jets of water from all directions and tiny particles of dust.

The heavy gauge cast aluminum housing and high abuse polycarbonate faceplate and lens offers extreme protection and superior performance with a contemporary look.

This family is perfect for arenas, schools, industrial spaces or anywhere there is moisture or abuse present.
