*Modifications will not be done to quick ship program items. Modifications are available through the normal ordering process.

Quick Ship Terms & Conditions

Quick Ship Designation

To ensure Quick Ship processing, please note Quick Ship on the purchase order. For pick up orders within 3 business hours please fax the order and phone your inside sales associate.

Quantity Limitations

The Quick Ship 24 hour program is designed to rapidly fill orders based on the maximum quantities stated for each model. Please contact your Beluce representative for orders in excess of quantities listed above.

24 Hour Shipping

The Quick Ship program will ship your order by the next day with our regularly scheduled courier pick-up. Regular shipping terms and conditions apply.

Modifications

In order to fulfill the goal of the Quick Ship program, please limit orders to the models and options outlined in this brochure. Please consult your representative for lead-times on modified or other Beluce products.
