

Uniquely Beghelli

Beghelli

Bruno Running Man

Canada's first truly universal edge-lit running man sign. Comes with 6 mounting options.

Optica Running Man

The Optica series of cylindrical edge-lit egress signs feature a sleek, high-tech look.

Pluraluce®

The stylish Pluraluce® comes with 3 interchangeable lenses for unique distribution patterns to maximize spacing.

Stellaluce RM Combo

The traditional combo is redefined with 10W LED light output and selectable optical lenses for optimized performance and an attractive design.

Protegga

The fully gasketed aluminum housing allows the Protegga running man to be installed in harsh locations that require NEMA 4 and 4X protection.

Guida Combo

The only edge-lit and recessed combo on the Canadian market. Choose from a selection of lamps and battery sizes.

Bolla Unit

The compact, die-cast Bolla Unit is available in both indoor and NEMA 4X location versions, making it suitable for a wide variety of applications.

Ecco Luna LED

With its unique looks and auto-test self-diagnostics technology, the Ecco Luna is a signature Beghelli product.

Interno Basso

This low-level emergency unit blends seamlessly into the wall and sits below the smoke layer for better visibility in the event of a fire.

Nova UAC 2500W

The NOVA UAC Inverter eliminates the need for traditional emergency lighting fixtures to reduce overall application costs and improve aesthetics.
